

Cascade Outfitters Database

Switchboard:

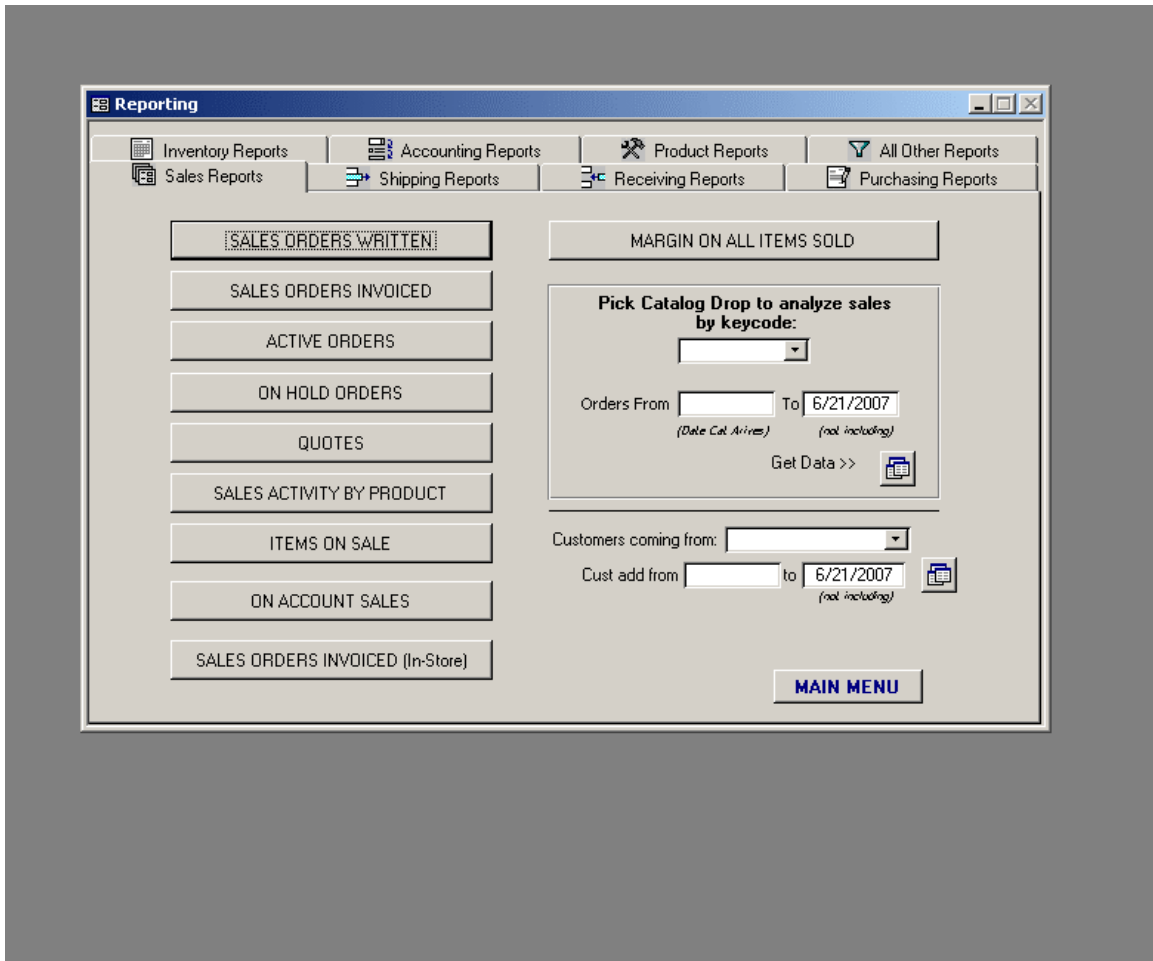

Search Screen:

The screenshot shows a software window titled "Enter Search Criteria and Press Search:". At the top, there are navigation tabs: "Customers", "Orders/Returns" (which is selected), "Products", "Purchases", and "Vendors".

The main search area contains the following fields and controls:

- Order Number:** A text input field with a yellow highlight and a "<< Direct" button.
- Web ID:** A text input field with a yellow highlight and a "<<" button.
- Salesperson:** A dropdown menu.
- Company:** A text input field with a yellow highlight.
- First/Last Name:** Two adjacent text input fields, the second with a yellow highlight.
- State:** A text input field.
- Zip:** A text input field.
- Order Type:** A group of radio buttons with labels: "Quote", "Order" (selected), "Invoiced", "Return", and "Void".
- Order on/after:** A date input field containing "6/6/2007".
- Order on/before:** A date input field containing "6/21/2007".
- Required Fields:** A red note stating "** ** = Required" next to the date fields.
- Buttons:** "Search" and "Clear" buttons are located below the date fields.
- NEW Order/Return:** A prominent red button located below the search area.
- MAIN MENU:** A button located in the bottom right corner of the window.
